# Save more money with a Delta Dental PPO™ dentist

Delta Dental understands the power of a healthy smile and distinctive value. Through the combination of the nation's largest proprietary network and discounts, we truly offer a unique value in an otherwise indistinguishable marketplace. And you have a choice.

Delta Dental allows you the freedom to visit any dentist, but you'll save more on your out-of-pocket costs when you visit a Delta Dental PPO dentist. The Delta Dental Premier® network also provides cost-saving features and is the next best option when you can't find a Delta Dental PPO dentist. The dentist you choose could affect your cost.

## Most potential savings with Delta Dental PPO dentists

- When you visit your dentist, ask specifically if he or she is a contracted Delta Dental PPO dentist.
- Delta Dental PPO dentists agree to accept Delta Dental PPO contracted fees.
- You'll usually pay less when you visit a Delta Dental PPO dentist.

### Find a Delta Dental PPO dentist

To find a current listing of Delta Dental PPO dentist locations:

- Visit [DeltaDentalMO.com](http://DeltaDentalMO.com), select "Find a Provider" and click "Find a Dentist."
- Select "Delta Dental PPO" as your plan network.

## Some savings with Delta Dental Premier dentists

- Premier dentists' contracted fees are usually slightly higher than those of Delta Dental PPO dentists.
- Premier dentists will not bill you above their contracted fees, so you still receive some cost protections not available with an out-of-network dentist.

## No savings with out-of-network dentists

- Out-of-network dentists have no fee agreements with Delta Dental, so you will usually have the highest out-of-pocket costs when you visit an out-of-network dentist.
- You are responsible for the difference between what Delta Dental pays and the dentist's fee.
